

Student Activity Group Student Association Club of Innovation and Entrepreneurship. GAS operates at the Institute of Economics and Management. The GAS mentor is Mariusz Barczak PhD (e-mail: mariusz.barczak@byd.pl), and its members are currently students from Turkey, Sri Lanka, Uganda and India. GAS members organize open meetings for English-speaking students, including about starting a business in Poland and other countries, regarding stock exchange and management projects, business plan, etc. GAS members participated in the Sprint Week with Asko Mononen (University of Applied Science - Laurea - Finland) in November 2019, where they developed a prototype an economic board game. The next stage in the activities of this Group is to be research international tourism cluster.
