

Student Activity Group WSG vocal ensemble. The vocal ensemble of WSG began its activity in November 2017 under the leadership of M. Marek Bogusz, and from November 2019 the role of the leader was taken over by Jan Chęsa (e-mail: jan.chesy@byd.pl). The assumption of the band is broadly understood artistic activity on vocal grounds, including representative performances accompanying important university events, but also representing the WSG outside in competitions, events and other forms artistic activity. The team consists of employees and students of the University - volunteers showing predisposition to sing. The composition of the team oscillates around the number of 10 people. The first musical activity in which the band had the opportunity to participate was a performance as part of the WSG 2017 Diploma at the Pomeranian Philharmonic in Bydgoszcz and it has been a tradition since then. GAS continues its activities focusing on events in the life of the University, such as the Inauguration of the Academic Year, Diplomats and other academic celebrations.
