

Student Activity Group Compass. GAS operates at the Department of Economy Desk. The mentor is dr Rafał Nowicki (e-mail: rafal.nowicki@byd.pl). The group does not have permanent members, students work on a task basis. Among the main goals of this activity the group is the implementation of research concepts reported by students, publication of scientific articles in Student Scientific Notebooks, organizing seminars (among others, the industry seminar entitled "Industrial heritage of Bydgoszcz - hopes and dilemmas"), symposia and other forms of exchange of experience, organizing trips, training and sightseeing, translating the educational offer into Russian for its dissemination among partners in Ukraine.
